

**Freestanding screens for Keeping staff and customers safe!**

**Do you have a customer who has a shop or location that many customers visit?**

Our transparent partition walls are the perfect solution and can be used, for example, to separate walking routes. To separate seating areas in restaurants, to separate equipment in gyms or maybe to divide customers in a barbers or hairdressers. This creates clarity and transparency for your customers and in turn helping to create a safe environment.
